Date 10.6.47

Respected Sir,

Subject - Application for nomination to the Municipal Council from the Muslim Community.

I beg to represent the following few facts for your kind consideration and favourable recommendation

I come from a respectable Muslim family who have been permanent residents of Tarikere. My late father Mr Baba Saheb was a citizen of Tarikere, respected and loved by all communities.

In recognition of the selfless and meritorious services rendered by him to the Public of Tarikere for over 35 years as member of R A , District Board and the Municipality, he was awarded I and II class Public Service Medals by our beloved His Highness the Maharaja of Mysore

I am very anxious and keen on serving my native place and It's people to the best of my ability, thus following the example of my late father Regarding my qualification, I wish to state that I have completed S S L C course and by profession a merchant. I am paying about Rs 75/- by way of taxes to the Municipality and Government.

The Muslim Community has failed to secure representation at the recent election to the Municipal Council and as such it is necessary that the community be represented in the new Council. Taking into consideration the services rendered by my father and my qualifications I request you to kindly recommend my name to the Government for nomination as a Municipal Councillor

For this act of generosity I shall remain ever grateful to you

Thanking you in anticipation

Yours Obediently,

proposals have already been put to the

Revered Sir,

I beg to submit the following for your very kind consideration and very favourable early orders

I am very grateful to the Government for having nominated me to the Kadur District Board in Notification No A 2 dated 30-5-1947

In this connection I have to submit that my name is D H Haralappa and not P Haralappa as mentioned in the above notification I request that the correction may kindly be caused to be made at an early date and the same may kindly be intimated to the Deputy Commissioner, Kadur District I may also be permitted to state that in my application dated 16-5-1947 submitted to Government for nomination, I had correctly mentioned my name as D H Haralappa

Thanking you in anticipation of favourable orders and begging to be pardoned for the trouble given

I beg to remain,
Sir,

The Revenue Minister,

Government of Mysore,

Bangalore

Sir,

We,the Bhavasara Kshatriya community people (Darji) of Tarikere Town most humbly beg to submit for favourable orders

The population of our community is 400 in thi town being scantly represented in the public activities We had Mr G Rangoji Rao,Cloth merchant and Electrical contractor as an elected member of the local Municipal Council for the last 9 years successively being represented by a member of the minor community Unfortunately,this time on account of ill-feelings between Brahmins and non-Brahmins,he was not able to get through in the Second circle where the number of Brahmins voters are in mejority,who secured 3 seats out of 4 in this Circle

Now,the Council is not represented by any one of ~~the~~ minor community Mr G Rangoji Rao,being ~~and an~~ young and energetic has done great service to the community and rendered very good service and is evincing very keen interest in the public affairs He was very much helpful to the community(a minor community,a very backward still in education and civilisation) and sacrificed a lot just to promote the welfare of the community His failure in the Council is ~~x~~ really a loss to the community and it is no exageration if we are permitted to say that he really deserves a seat in the Council

Under these circumstances,We earnestly beg to request that Mr G Rangoji Rao,may kindly be nominated as a member of the Municipal Council with whom the community places full faith and confidence being a man of very good

0163/L

good experience and knowing what the Municipal administration is and how it could be made benefitial to the Society and Public in general.

We earnestly hope that this humble request of ours will be fulfilled

For the act of kindness we shall be highly grateful

Tarikere.

For the past 16 years having been in the council I have fully gained experience and I wish to do my bit of work in the upliftment of our people I therefore request your kind and good self kindly to nominate me to one of the seats on the Local Municipal Council of Tarikere. As you are aware there are no muslims on the council at present
